§ 24.272 Payment of tax by electronic fund transfer.

(a) *General.* (1) During a calendar year any proprietor who is liable for a gross amount of wine excise tax equal to or exceeding \$5 million combining tax liabilities incurred under this part and parts 250 and 251 of this chapter, shall during the succeeding calendar year use a financial institution in making payment by electronic fund transfer (EFT) of wine taxes for that year. A proprietor who is required by this section to make remittance by EFT may not effect payment of wine taxes by cash, check, or money order as described in § 24.271.

(2) For the purposes of this section, the dollar amount of tax liability is defined as the gross tax liability on all taxable withdrawals and importations (including wines brought into the United States from Puerto Rico or the Virgin Islands) during the calendar year, without regard to any drawback, credit, or refund, for all premises from which the activities are conducted by the proprietor.

(3) For the purposes of this section, a proprietor includes a controlled group of corporations, as defined in 26 U.S.C. 5061 (e)(3). Also, the rules for a “controlled group of corporations” apply in a similar fashion to groups which include partnerships and/or sole proprietorships. If one entity maintains more than 50 percent control over a group consisting of corporations and one, or more, partnerships and/or sole proprietorships, all of the members of the controlled group are one taxpayer for the purpose of determining who is required to make remittances by EFT.

(4) A proprietor who is required by this section to make remittances by EFT shall, for each bonded wine premises from which wine is withdrawn upon determination of tax, make a separate EFT remittance and file a separate tax return.

(b) *Requirements.* (1) On or before January 10 of each calendar year, except for a proprietor already remitting the tax by EFT, each proprietor who was liable during the previous calendar year for a gross amount of wine excise tax equal to or exceeding \$5 million, combining tax liabilities incurred under this part and parts 250 and 251 of this chapter, shall give written notice to the regional director (compliance) of each ATF region in which taxes are paid agreeing to make remittances by EFT.

(2) For each return filed in accordance with this subpart, the proprietor shall direct the proprietor’s financial institution to make an electronic fund transfer in the amount of the taxpayment to the Treasury Account as provided in paragraph (e) of this section. The request will be made to the financial institution early enough for the transfer of funds to be made to the Treasury Account by no later than the close of business on the last day for filing the return as prescribed in § 24.271. The request will take into account any time limit established by the financial institution.

(3) If the proprietor was liable during the preceding calendar year for less than \$5 million in wine excise taxes, combining tax liabilities incurred under this part and parts 250 and 251 of this chapter, the proprietor may choose either to continue remitting the tax as provided in this section or to remit the tax with return as prescribed by § 24.271. Upon filing the first return on which the proprietor chooses to discontinue remittance of the tax by EFT and to begin remittance of the tax with the tax return, the proprietor shall notify the regional director (compliance) by attaching a written notification to the tax form stating that no wine excise tax is due by EFT because the tax liability during the preceding calendar year was less than \$5 million, and that the remittance will be filed with the tax return.

(c) *Remittance.* (1) The proprietor shall show on the tax return information about remitting the tax for that return by EFT and shall file the return with ATF in accordance with the instructions on the tax form.
